About the Cover

About the Cover

by Sarah Arney

A resident of Arlington Heights, Camelia Nahlik captured the image on the cover of this year's telephone directory. She responded to the chamber's call for art, "What makes Arlington Unique," mentioning the river, and more specifically, the Festival of the River held near her house on the Stillaguamish River every summer. She met people from as far away as Florida, Texas and Ohio at the festival and enjoyed the birds of prey on display and the information on forest conservation.

The photograph selected by the Arlington-Smokey Point Chamber of Commerce board of directors depicts the river in winter, when some of the riparian trees were bare and others draped in golden leaves which reflected on the surface of the water. "The river represents the giving of life to all people," Nahlik said.

She said that she acquired her interest in art from her mother who was a photographer for a Canadian newspaper and who also painted in oils and watercolors. Now Nahlik also paints as well as taking lots of photographs.

Nahlik was born in Cuba and adopted at age 4 and a half by parents who traveled the world over, she said. "I started taking pictures with a little Brownie camera," she said.

"We are very lucky to live in a place with such beautiful surroundings," she said, adding that she felt very honored to be selected for the directory cover.

HOTEL-MOTEL TAX GRANT

This project is subsidized in part by Arlington's Hotel-Motel Tax Grant program, especially the community information section of the telephone directory. These books are shipped across the U.S.A. when people call the chamber office for information about this area. Our hopes are they will come for a visit, spend a night or three in a local hotel and explore the beautiful place that is Arlington.

A Message from the Arlington-Smokey Point Chamber

Thank you for your continued support of the Arlington/Smokey Point Chamber of Commerce and this telephone directory. As you may know, the directory is one of the main sources of revenue for the Chamber each year. More importantly, it provides a convenient way to locate businesses and shop locally. We are proud to announce that the 2009-2010 Directory will be available for viewing on YOUR Chamber website. The website can be found at www.arlingtoninfo.org or www.smokeypointinfo.org. Use whichever one is easier for you to remember. Having your advertisement available for viewing on the website is an additional benefit in 2009 at no extra charge. The Chamber is committed to supporting local businesses and encouraging all local business to be members of their Chamber of Commerce.

Please visit our new website and have a look around. You will see what a benefit this is to a Chamber member.

I want to personally invite you to join us at our monthly luncheon meetings which are held at the Medallion Hotel (previously the Hawthorn Inn) the second Tuesday of each month at noon. Please note that the August luncheon will be a barbeque at Legion Park on South Olympic Avenue in Arlington.

We also hold networking events and Business after Hours events during the year. Please visit the website for times and locations.

Thank you again for your continued support and involvement with your Chamber of Commerce.

Sincerely,

Paul Graves, President
